

John & Jean Anderson Ministry Update September 2019

*We praise God for you!
You are helping provide solutions for our
partners worldwide to share the gospel!*

Ministry Spotlight: Delivering God's Word

Our goal is to fund 12,000 SonSet® Radios in 2019! A single SonSet radio costs just \$40. Our focus this year is on ministries who are working with refugees in Africa, First Nations people in North America, communities living in the African Sahel, and isolated people groups in South America. We are, of course, always open to opportunities outside of these focus groups. Please consider helping us in two big ways.

First, **pray for the "SonSet Radios: Delivering God's Word" campaign** and the impact the radios will have on the lives of those who receive them. Secondly, **encourage your local church to participate** in the campaign! Tell your pastor, let your friends know, or get your small group involved.

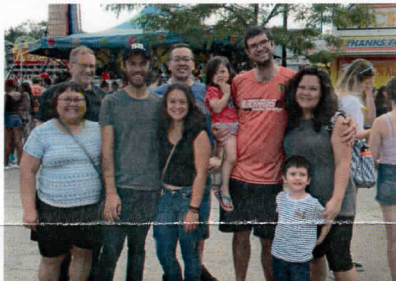

If you are interested in learning more about our **SonSet Radios: Delivering God's Word** campaign, please email John or Jean. You can also visit the following webpage for more information: <http://sonsetsolutions.org/dgw2019>.

One of our favorite testimonials is: "Miss Anet and Miss Kais, both with visual impairments, today trekked for 10 kilometers on foot, accompanied by a guide, to request SonSet solar radios. Ms. Kakayo says she accepted Jesus Christ after getting inspiration from daily preaching on Usalama FM. Note that every day over 50 people, mainly refugees across the Adjumani (refugee) settlements, visit Usalama FM to request a SonSet solar radio." – Martin Okudi, general manager of Radio Usalama FM, northern Uganda

Family Spotlight: Faithfulness to Generations

Family time is always a good time. We've been missing JR on these events, but know he is too far away to travel back. He has reached the six-month mark working in Kansas and is doing well. We can see God's faithfulness to the older generations in our family and pray for the young ones to follow the Lord as well.

On Labor Day, we were able to go out for a Fall Festival where we enjoyed being together. Though not in the photo, Grandma and Grandpa even joined us for a time. Later this month, we celebrated summer and fall birthdays on Jean's side of the family. Though there were more birthday people than non-birthday people, it was fun.

Stay Connected: Prayer

May we pray for you?

We'd love to pray for you! Email, call or text us: John 708.567.9140, Jean 708.567.8410 or home 574.333.2562.

Would you pray for us?

- **SonSet Solutions:** Please pray for our SonSet radio campaign for 2019 as well as for a benefit concert on Saturday, September 28. Ken Medema will be performing with the Singing Men of Northern Indiana, where the proceeds will go toward SonSet radios. Many of us at SonSet Solutions are involved in this event.
- **Andersons:** Pray for John as he tries to set up a deputation trip in early November. Pray for Jean as she volunteers in Lifeline at a new school.

Jeremiah 33:3 – "Call to me and I will answer you and tell you great and unsearchable things you do not know."
